ABOUT THIS HOME

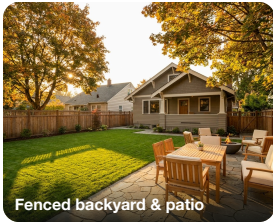

A light-filled colonial on one of Riverside Heights' quietest cul-de-sacs, updated top to bottom in 2024. The renovated quartz kitchen opens to a vaulted family room with a gas fireplace; a 36" range and walk-in pantry anchor the space. The primary suite offers dual closets and a spa bath with a soaking tub. Out back, a flat fenced 0.21-acre yard with paver patio and mature maples. Walk to Larkspur Elementary and the Riverwalk trailhead.
