

New Agent Onboarding Handbook

Everything you need in your first 30 days at Parcel — how we list, how we close, and how we sound.

WELCOME

You're on the team.

Welcome to Parcel. We're a local-first brokerage built on one idea: a listing should feel like the neighborhood it's in. We don't shout. We show the street, the school, the light through the kitchen window — then we back it with clean numbers and a fast, honest close.

This handbook walks you through how we work: our commission structure, the listing-to-close workflow you'll run on every deal, how we produce CMAs and cinematic video tours, the tools you'll log into, the compliance basics that keep us (and our clients) safe, and a checklist for your first 30 days.

01 — BROKERAGE OVERVIEW

Local-first, full-service.

Parcel is an independent brokerage serving Riverside Heights and the greater Cedar County market. We run a flat, supportive structure: a managing broker, a dedicated transaction coordinator (TC), an in-house media team for photo/video, and you. Agents own client relationships; the back office owns paperwork, compliance, and marketing production so you can stay in front of people.

Our standard co-broke is 5.0% — typically split 2.5% / 2.5% between listing and selling sides. We do not discount below 4% without managing-broker approval, and we never compete on commission alone; we compete on the quality of the listing.

02 — COMMISSION, SPLIT & CAP

How you get paid.

New agents start on a **70/30 split** (you keep 70% of your side of the commission) against an **annual cap of \$18,000**. Once your 30% contributions reach the cap within your anniversary year, you move to **100%** for the remainder of the year, paying only a flat \$295 per-transaction fee.

Tier	Your split	Brokerage	Notes
Pre-cap (default)	70%	30%	Until \$18,000 in brokerage contributions
Post-cap	100%	\$295 / deal	Resets each anniversary year
Mentored deal (first 2)	50%	50%	Mentor co-lists; counts toward cap

Example: on a \$700,000 sale at 2.5% listing side = \$17,500 gross commission. Pre-cap, you net \$12,250 (70%); the brokerage's \$5,250 (30%) counts toward your \$18,000 cap. Worked example — actuals vary by deal.

Draw & expenses. No desk fee. The brokerage covers MLS dues, E&O insurance, signage, and all media production for listings priced at market. You cover your own license renewal, mileage, and optional paid lead sources.

03 — THE LISTING-TO-CLOSE WORKFLOW

Every deal runs these stages.

This mirrors the Deal Pipeline board you'll live in. Move each deal stage-by-stage; the TC is auto-notified at each gate.

- 1 Lead & consult**
Capture the lead, book the listing consult, set expectations on price and timeline.
- 2 CMA & pricing**
Build the CMA (\$04), present three pricing scenarios, agree a list price and prep budget.
- 3 Prep & media**
Staging/repairs, then schedule the media team for stills + the cinematic video tour (\$05).
- 4 Live & market**
Activate MLS, publish the listing page, push the flyer + social grid, hold the open house.
- 5 Offers & negotiation**
Present offers, manage counters, ratify the purchase agreement; deliver disclosures on time.
- 6 Under contract**
Open escrow, track inspection / appraisal / loan contingencies, run the closing checklist.
- 7 Close & follow-up**
Sign, fund, hand over keys. Send the net sheet, request a review, add to your sphere.

04 — HOW WE DO CMAS

Three comps, three scenarios.

A Parcel CMA pulls at least **three sold comparables** within 0.5 miles and 90 days, adjusts for square footage, condition, and lot, then presents **three price scenarios** (aggressive / market / patient) with the expected days-on-market for each. Always pair the CMA with a seller's net sheet so the conversation is about take-home, not just list price.

- ☐ Use the CMA workbook template; never freehand comps in a doc.
- ☐ Adjust, don't average — note every adjustment and why.
- ☐ Show the net sheet at the same meeting as the price.

05 — HOW WE MAKE VIDEO TOURS

Cinematic, no gimmicks.

Every listing at market price gets a ~72-second cinematic walkthrough. The media team shoots a fixed shot list — twilight exterior + drone pull-back, foyer, family room, kitchen, primary suite + bath, finished spaces, then the backyard at golden hour. House rules:

- ☐ **Hard cuts only** — no fades, wipes, or spinning transitions.
- ☐ **The home is the subject** — no agent voiceover, no on-screen faces.
- ☐ Smooth gimbal/drone motion; royalty-free ambient bed only.
- ☐ 16:9, 1080p; the twilight front elevation is always the poster frame.

Request a shoot through the media calendar once prep is done. Turnaround is 2 business days. The finished tour becomes the hero of the listing page, the reel, and the “Just Listed” social post.

06 — TOOLS & LOGINS CHECKLIST

Get set up day one.

- ☐ Parcel workspace account (workbooks — pipeline, CMAs, listings)
- ☐ Cedar County MLS — credentials issued by the TC after license transfer
- ☐ parcel.homes email + the standard signature block (see Brand Guidelines)
- ☐ SentiLock / lockbox app — keyholder enrollment
- ☐ DocuSign for ratified agreements & disclosures
- ☐ Media calendar (photo/video scheduling)
- ☐ Phone added to the brokerage roster & floor-duty rotation

07 — COMPLIANCE BASICS

Non-negotiables.

Fair Housing

Never describe the buyer pool, steer, or reference protected classes (race, religion, family status, disability, national origin, sex). Market the property, not the people. When in doubt, ask the managing broker before you publish.

Disclosure timelines

Deliver all statutory disclosures (TDS, natural hazard, lead-based paint for pre-1978 homes) within the contractual window — typically 7 days of acceptance. Late disclosure is the #1 source of fall-throughs. The TC tracks deadlines; you own delivery.

⚠ Wire-fraud prevention

Wire instructions are **never** sent or changed by email. Tell every client, in writing, at the start of escrow: confirm all wiring details by calling the escrow officer at a number you looked up independently — never a number from an email. Any “updated wiring instructions” message is fraud until proven otherwise. Report it to the managing broker immediately.

08 — YOUR FIRST 30 DAYS

Checklist.

- | | |
|---|---|
| ☐ Days 1–3: complete all logins (\$06), transfer license | ☐ Week 2: sit a live open house |
| ☐ Week 1: shadow two listing consults with your mentor | ☐ Week 3: co-list your first mentored deal |
| ☐ Week 1: read the Brand Guidelines end to end | ☐ Week 4: present a CMA + net sheet to a real seller |
| ☐ Week 2: build a practice CMA on a past sale | ☐ Week 4: 30-day check-in with the managing broker |
